San Francisco Court Appointed Special Advocates (SFCASAs) participate in a comprehensive background check prior to being matched with a dependent. This background check includes fingerprinting for initial and ongoing screening with the FBI, DOJ, CA Child Abuse Index; SSN verification; CA Megan's Law Registry and the National Sex Offender Registry; and a DMV background check. In addition, all advocates participate in a screening interview and 42-hour training process, and provide SFCASA with three personal and professional references. SFCASAs are responsible to maintain car insurance and to provide the SFCASA office with a copy of their proof of insurance.

*We ask all custodial parents or guardians and PSWs as appropriate to give permission for the dependent to ride in a CASA's personal vehicle, rental vehicle, car share vehicle (Uber/Lyft), or taxi with their assigned SFCASA youth. For in-home dependents, SFCASA will seek permission from the parent or legal guardian. For out-of-home dependents, SFCASA will seek permission from the PSW. **By giving permission to transport the child, the PSW is not abdicating the responsibility of SFCASA to maintain their insurance and liability for the child.***
